

PATHOLOGIST (MDG/MO 3)

The **North East Regional Health Authority**, a statutory body under the Ministry of Health, with responsibility for the management and delivery of Public Health Services within the parishes of St. Ann, St. Mary, and Portland invites applications from suitably qualified persons to fill the position of **Pathologist for the St. Ann's Bay Regional Hospital (type B) in St. Ann**

Summary

Reporting to the Senior Medical Officer of the institution the Pathologist will be responsible for conducting postmortems to determine the cause of death, in accordance with the Government's policies, regulations/legal requirements and guidelines and will ensure continuous improvements in the quality of care in the delivery of these health services.

Qualification & Experience

- Graduate of an accredited medical school
- M.B.B.S. or equivalent
- Post graduate qualification in pathology
- Fully registered with the Medical Council of Jamaica
- Ability to provide effective leadership and work as part of a team;
- Excellent interpersonal skills and demonstrated ability to establish and maintain satisfactory working relationships with a wide cross section of professionals and organizations;
- Excellent knowledge of proper use of equipment in the laboratory
- Excellent time management skills;
- Excellent communication skills

In addition to carrying a clinical workload in his/her specialty, other key responsibilities will include:

- Conducting post mortems of bodies to determine exact cause of death
- General supervision of the laboratory
- Understanding the medical history of the patient before conducting any tests.
- Conducting test on the tissues of the body and other specimens to find the existence of the disease
- Providing advice to medical examiners and coroners

Applications along with detailed resume should be sent no later than **Friday, 2012 January 13** to:

The Director, Human Resource Mgt. & Industrial Relations
North East Regional Health Authority
